Thanks, Gary. I have attached my comments on the fact sheet for your consideration.

Good meeting today. Glad Officer Longoria of TPWD could attend and give feedback on shellfish harvest regulations.

Folks,

Please see the attached draft fact sheet for the San Jacinto site; we plan to mail this out after it is finalized to the mailing list for the site & perhaps prepare fact sheets in the future to inform the public regarding various site issues. Please take a look at this & we can discuss at tomorrow's CAC meeting.

Thanks,
